Scout Leaders Invited On Japan, Orient Tour

A three-week good will trip to Japan and the Orient is being planned by leaders of the Los Angeles Area Council, Boy Scouts of America, under the chairmanship of James Nakagawa.

The trip is open to registered scout leaders throughout the Los Angeles Area Council and neighboring councils.

Total cost is \$1,050 per person, which includes transportation via BOAC, lodging, food, tours, taxes and tips.

DEPARTURE date is July 9, from Los Angeles, via BOAC, to Honolulu. Tokyo is scheduled as the next stop, followed by Nikko, Kamakura, Hakone, Atami, Nagoya, and Kyoto, all in Japan. Leaders will then fly to Taipei, capital of Formosa, Hong Kong, Lowloon and the New Territories.

The last two days will be spent in a return trip to Tokyo, and on July 31 the group will return to Los Angeles, via Japan Air Lines jet.

THE LOW COST of the trip is based on the use of special group discount fares. For this reason, only registered scout leaders and their spouses are eligible. Persons registered in any adult capacity with the Boy Scouts of America may obtain further information through James Nakagawa at 707 Turner St., Los Angeles 12, Calif. telephone 626-5824.

Reservations will be made on a definite basis upon acceptance of a \$100 deposit. Payment of the balance will be due 30 days prior to departure. Up to that point, full refund of the deposit may be arranged.

Edison Pays Property Tax Installment

The first installment of local property taxes for 1964-65 has been paid by Southern California Edison Co. The amount: \$17,547,011.21.

Edison's final installment will be paid next April 10, bringing the total the investor-owned electric company is paying to Los Angeles County this year to \$25,136,233.98, according to L. E. Jenkins, district manager.

The grand total of Edison's property tax payments in 14 counties will amount to a record \$54,397,226.63.

Taxes of all types continue as the largest single item of expense to the company. Spread over all SCE customers, this means that 23 cents out of every dollar paid on electric service bills goes to the tax collector at various levels of government.

DOROTHY DIGS in the garden

We have all had some cold nights that remind us that it is winter and I hope you have not lost any of your prize plants.

Please, please do not prune them now even if they look ragged and ugly. Pruning now would just be an open invitation for the next frost to finish killing the plant.

This would be a good time to spend a little time studying the art of pruning so that you will be ready when the sap starts to flow and danger of frost is over. There are many good books on the subject and many nurseries stock and sell these. Your nurseryman will be glad to tell you the best one for your area and can also help you to select the pruning equipment which best suits your needs. If you have not already

Red Cross Sets Dec. 20 'Save-a-Life Sunday'

Red Cross has set its third annual "Save-a-Life Sunday" Dec. 20, according to Mrs. Robert Orsini, Torrance-Lomita Red Cross chairman.

Facilities in five communities will be open Sunday to receive blood. The five centers hope to accommodate at least 625 persons "who want to help give someone his life for Christmas," said Mrs. Orsini.

Each of the facilities has been assigned a quota of 125 pints of blood. The centers will remain open from 10 a.m. until 2:30 p.m.

Center locations are: 1130 S. Vermont Ave., Los Angeles; 1100 Veteran Ave., Los Angeles, 14717 Sherman Way, Van Nuys; 319 W. Broadway St., Long Beach, and 805 E. Sycamore Ave., Anaheim.

Donors may make appointments at any one of the five facilities by calling the local Red Cross office a FA 8-0510 or TE 2-8321.

The "Save-a-Life Sunday" campaign was begun two years ago to combat a critical year-end slump in blood contributions. "So many of us are so preoccupied with planning for the holidays that we tend to forget the need for blood continues," Mrs. Orsini said. "A few minutes of your time Sunday can mean a life for someone who is sick or injured," she added, "and your own Christmas will be just a little happier."

done so, this is also the time to spray your plants with a Lime Sulphur and Oil dormant spray to clean up the bugs and eggs on and around your plants.

Meningiti Noted
 One case of aseptic meningitis was reported from the Torrance area for the week ending Nov. 28.
